

**INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT**

**OFFICE MEMORANDUM**

DATE: April 26, 2006

TO: File

FROM: Rebecca Schmitt  
Rules Development Section, Office of Water Quality

SUBJECT: Fiscal Impact of Amendments to Rules at 327 IAC 8-2-8, 327 IAC 8-2-24, 327 IAC 8-2.1-3, 327 IAC 8-2.1-10, and 327 IAC 8-2.1-16 and new rule 327 IAC 8-2.1-14.5 concerning Drinking Water Corrections, LSA Document #06-44 (WPCB).

Under IC 4-22-2-28, IDEM has estimated that the economic impact of the proposed new rules will be less than five hundred thousand dollars (\$500,000) on the regulated entities. The potential fiscal impacts, if any, will be due to the federally mandated requirements even if Indiana were not to promulgate the same requirements in its rules.

There is no anticipated fiscal impact to this rule. Therefore, an economic impact analysis for this rule will not be prepared by the Legislative Services Agency.
